

Casita specifications: 1998 archive

Library-created historical reference | Prepared September 7, 2026

Selected figures from the archived factory specifications page. The capture date establishes when this page was preserved, not a model-year certification.

Factory listing	13-foot	16-foot	17-foot
Overall height	7 ft 5 in	7 ft 5 in	7 ft 9 in
Overall width	6 ft 8 in	6 ft 8 in	6 ft 8 in
Approx. dry weight, Standard	950 lb	1,250 lb	1,700 lb
Approx. dry weight, Deluxe	1,350 lb	1,800 lb	2,100 lb
Listed tire size	13 in	13 in	14 in
Listed axle capacity	2,200 lb	2,200 lb	3,500 lb

These are period advertised values. They are not actual loaded weights, current towing guidance, or proof of an individual trailer's axle. Use its labels and measured loaded weight.
